

GOING WILD FOR WILDFLOWERS **Family Planting Day**

Sunday 14th April 2013 from 10.00am
Esplanade Road, Lake Grounds, Portishead

Help us to kick off this year's Britain in Bloom campaign, by planting wildflowers as part of a nationwide 'in Bloom' celebration to mark National Gardening Week.

We will be planting Bluebells & Snowdrops to enhance the wildflower bank just up from the outdoor swimming pool. Families with young children especially are invited to come along. Children - if you have gardening gloves, wellies or your own trowels bring them with you.

Don't forget sun hat and sun cream may be needed!

NATIONAL
GARDENING
WEEK 15-21 April 2013

National Gardening Week was launched by the RHS to get the nation growing. Get planting, get involved.
